

Round Table 2 - How to harness the potential of biomass-based solutions for carbon removal?

Panellists

▶ Nicola Di Virgilio

EU Commission DG Agriculture and Rural Development

« *Common Agricultural Policy 2023-2027 and its role in supporting EU carbon sink* »

▶ Philippe Delacote

INRAE & Climate Economics Chair

« *Forest-based climate change mitigation and adaptation in Europe* »

▶ Pierre Faure

CNRS & GISFI & ANCRE

« *Carbon sinks from re-naturalisation of anthropized and urban environments* »

▶ David Chiaramonti

Politecnico di Torino

« *Biochar as biomass-based solutions for carbon removal* »

▶ Jack Legrand

CNRS & ANCRE
